## VENUE & COURSE DESCRIPTIONS

We are headed back To Gopher Dunes for our second instalment of Tough Mudder - Toronto Style! Situated south of London and west of Toronto, Gopher dunes provides amazing terrain for a muddy event! The property offers miles and miles of different level motocross tracks as well as incredible wooden trails which will all be used to bring a fun, fast, muddy event.

Special Gear: Participants should plan to bring appropriate fuel for their needs. Nutrition and electrolytes will be available on course. Hydration packs (or water containers of some variety) are strongly suggested for all participants. Please note that shoes with spikes are not allowed.

## AID STATIONS

At each stop you will be able to drink as much water as you want, however we ask that you only take one (1) cup. All participants will have the ability to fill their hydration pack at the Start Line.

- **15K:** There will be ten (10) aid stations on course, included one (1) hydration pack refill station and including three (3) fuel stations where nutrition and/or electrolytes will be provided.
- **5K:** There will be four (4) aid stations on course.

## ON-COURSE HYDRATION TIPS

- Make sure to fill your pack up prior to the event. You can purchase hydration packs at the merchandise tent on event day.
- Make sure you carry enough water to be able to keep yourself hydrated between stations.
- Make sure to stop at every aid station to get water, use your pack in between.
- We highly suggest carrying some type of electrolyte drink in addition to water.
- Make sure to properly hydrate in the week leading up to the event.

## COURSE CUTOFFS

As a safety precaution for participants, Tough Mudder only operates in daylight hours (except for specific night time events). All participants must be at the finish line by sunset. Any participants remaining on course after sunset will be directed back to the Festival Area in the most direct path possible. You will not get a refund or a future event credit in the event of removal from course.

## INCLEMENT WEATHER

In the event of inclement weather such as lightning, tornadoes, hurricanes, and the like, Tough Mudder reserves the right to eliminate obstacles, select portions of the course or cancel the event in order to ensure the safety of runners, volunteers, and staff. As always, weather can be unpredictable.
